* Based on Order No 282 of Government of Estonia, the restriction on the freedom of movement does not apply to asymptomatic people who have been on the territory of Lithuania or Latvia in the past 10 days and have travelled to Estonia directly from Lithuania or Latvia with the following preconditions:
  1. the person has taken a coronavirus test within 48 hours before their arrival in Estonia and the result is negative. When travelling to these countries from Estonia and returning to Estonia, it is possible to take the coronavirus test in Estonia, and return to normal life in case of a negative result. Self-isolation is required while waiting for the test results;
  2. the person arrives in Estonia for the purpose of working, studying or receiving health services or for family reasons or transit. For the reasons listed above, taking a coronavirus test before arriving in Estonia is not required.

Countries outside the European Union
Additionally, based on the recommendation of the Council of the European Union, Estonia will open its border to 8 countries outside the European Union that have a low infection rate.

- Australia
- Japan
- New Zealand
- Rwanda
- South Korea
- Thailand
- Singapur
- Uruguay*

* A 10-day restriction on freedom of movement is mandatory
