#### **II. PROJECT DATA**

**Title:** Kabuli Ülikooli Afganistani Keskuse projekt „Afganistani rahvusarhiivi edendamise ja mobiilse raamatukogu täiendamise” (Promotion of the National Archives as a research resource and supporting the ABLÉ Boxed Library Extension project for sustainable literacy)

**Target country:** Afghanistan

**Summary:** The goal of this project is to support the Afghanistan National Archives in promoting its activities and research opportunities, as well as supporting sustainable literacy. The Afghanistan Center at Kabul University (ACKU) will work to identify materials in the archive and to provide a solution for sharing information regarding the archive to researchers and the general public; through the publication of an informative booklet and the creation of a website for the archives. This will help improve access to materials at the National Archives. This project is a logical continuation of the previous ACKU project.

The secondary goal of this project is to support ACKU in implementing its sustainable literacy project. This project will support the publication of two titles on medical topics, and one on business, by ACKU's Boxed Library Extension project, ABLÉ. Each ABLÉ title includes two books, one in Pashto and one in Dari.
