Arriving from outside the European Union, the European Economic Area or the Schengen area

Travel to Estonia from outside the European Union, the European Economic Area or the Schengen area is possible for non-vaccinated people, including for tourism, **only from the countries listed in Annex 1 of the recommendation of the Council of the European Union on the gradual lifting of the temporary restrictions on non-essential travel into the EU**. A 10-days restrictions on movement period is mandatory for passengers arriving from a country on the list with an infection rate above 75.

Countries outside the European Union from which it is possible to travel to Estonia, including for tourism (according to the list in Annex 1 of the recommendation of the Council of the European Union)

- Australia
- Albania
- United States of America
- Hong Kong
- Israel
- Japan
- Lebanon
- North Macedonia
- Macau
- New Zealand
- South Korea
- Serbia
- Rwanda
- Thailand
- Singapore
- Taiwan

The data is gathered from ECDC official data.

When arriving from **third countries that are not listed in Annex I**, a mandatory 10-day restrictions on movement period applies to those, who are allowed entry to Estonia.

Citizens of third countries arriving in Estonia for the purpose of work or studying at an educational institution registered in Estonia from a third country not included in Annex 1 of the recommendation of the Council of the European Union, is subject to the 10-day mandatory restrictions on movement period, and they must take a coronavirus test immediately after arriving in Estonia and a second test no earlier than six days after the first test.
